Re: Frances Weber v. Article One Partners Holdings, LLC, et al.  
Civil Action Number 13 CV 7437 (ER)

Dear Judge Ramos:

This firm represents Defendant Alleghany Capital Corporation in the above referenced matter.

Per Rule 1(E) of Your Honor's Individual Practices, we request an extension of Defendants' time to file their replies in support of their motions to dismiss Plaintiff's Second Amended Complaint from June 20, 2014 to June 27, 2014. The reason for this request is twofold. First, I have a close relative undergoing serious medical treatment and have been and will continue to be spending time out of the office over the next several weeks. In addition, I am also engaged in a very time consuming matter involving emergency injunctive relief.

We previously requested a 14-day extension due to serious medical issues to my family member of the undersigned and a one week extension to account for the Passover and Easter holidays. All counsel consent to this request.

Respectfully submitted,

Howard J. Smith
